

CRAWFORD COUNTY PUBLIC HEALTH

PREVENT • PROMOTE • PROTECT

Jan 2017

2016 4th Quarter Report (October through December)

ANNUAL DAC MEETING – SAVE THE DATE

The Annual DAC meeting has been scheduled for March 7th, 9:00am, here at the Crawford County Public Health Conference Room (same as last year). Please join us as we provide updates on our activities/programs, gather input for our Strategic Plan, and request approval for one Board Member appointment. Further information will be mailed out in the next few weeks.

REQUEST FOR PHOTOS

We are still requesting all townships, villages and the City of Bucyrus to submit a photo (about 8x10) to reflect your jurisdiction. Photos can be of landmarks, buildings, landscapes – whatever you want to represent your area! All photos will become property of CCPH to be displayed in our large conference room. Vernon Township has graciously provided a photo to represent their jurisdiction, but we need more. (Please include a small note that describes your chosen photo.) If it is easier for you, please bring your photo to the annual DAC meeting on March 7th. We look forward to using our conference room to show off images of Crawford County!

ENVIRONMENTAL HEALTH DIVISION REPORT:

The EH Division inspected 2 sewage systems in Oceola during this quarter to determine eligibility for the (WPCLF) Water Pollution Control Loan Fund grant that was awarded to our department by (OEPA) Ohio Environmental Protection Agency for replacement of failing septic systems. 1 system was deemed to be in a failure condition and is eligible for 85% grant coverage. This system will be replaced with an NPDES (National Pollution Discharge Elimination System) aeration-style system. The other system had a blocked outlet tile which must be corrected before a full evaluation can occur. These additional inspections were in response to the scheduled community meeting in Oceola held on November 10, 2016. Around 15 residents attended the meeting. Our department still intends to upgrade, at least, 10 sewage systems in Oceola with this grant.

Also during this quarter, our division conducted a final inspection and granted operation approval to the new Tim Hortons facility in Bucyrus. A 30-day reinspection, as required by the ODH Food rules, was also conducted during this period and the facility was meeting all health codes during this inspection. The majority of the quarter was spent conducting routine inspections in all of our environmental programs.

HELP ME GROW (HMG) DIVISION (STATE FY 2017 FUNDING - JULY 1, 2016 TO JUNE 30, 2017)

Help Me Grow Vision: Optimal Health and Developmental Outcomes for Ohio's Children and Families

Help Me Grow Mission: To Support Pregnant Women and Families in Raising Children Who Are Physically and Emotionally Healthy and Ready to Learn

In October we held two family events. We celebrated Grandparents Day with the residents of Carlisle House by inviting our Help Me Grow (HMG) families for fellowship, crafts and book reading by volunteer Becky Barr. Our families also enjoyed a beautiful fall day experiencing agricultural games, activities and a few live animals at Pickwick Place. Math Night was our theme for our Family Connection meeting in November which we held with families and staff from Head Start.

Our Holiday Open House was on Dec. 5th. Our thanks are extended to CC Board of Developmental Disabilities/Fairway School for staff time and funds for food, Family & Children First Council for staff time and purchasing books and activity picture frames, WIC's crafts and staff, YWCA Child Care Resource & Referral for gift bags and staff, Santa Bobby Gardner, and the musical gifts of Ben Ramirez.

Many of our financially struggling HMG families received gifts this Christmas through the generosity of our community. Across the state 58% of HMG families are enrolled at or below 50% of the federal poverty guidelines (ODH, 2017).

Our local families were blessed by General Electric who sponsored 58 children and Galion LLC who sponsored another 33 children. Other HMG families were helped through area churches and businesses. General Electric

Union also presented us with a check for \$1,000. We are grateful for being part of such a community!!

SAFE SLEEP is a mandate and priority in our state and community. Despite expanded state efforts, according to the latest Infant Mortality Report, “the number of

infant deaths in Ohio increased from 955 in 2014 to 1,005 in 2015.” Our Home Visiting programs have implemented a new SAFE SLEEP screening tool and Crawford County has identified SAFE SLEEP as a priority in our CHIP. **Please help us spread the word of the “ABC’s” of safe sleep—Babies sleep safest **A**lone, on their **B**ack, in a **C**rib.**

Help Me Grow continues to be active in the community by participating in public speaking engagements, delivering promotional materials to our area OB-GYNs and birthing hospitals, and participating in the CHA and CHIP process.

HELP ME GROW STATS FROM OCTOBER 1, 2016 TO DECEMBER 31, 2016

Early Intervention: Total Number of children served: 59

Home Visiting: Total Number of children served: 73

MIECHV/ Healthy Families: Total Number of children served: 32

TOTAL AMOUNT OF REFERRALS RECEIVED: 67

NURSING DIVISION - 4TH QUARTER HIGHLIGHTS

Immunization Program

- A total of 736 clients were seen and 1,182 vaccines were given in the 4th quarter.
- Between our regular clinics, Boo to the Flu Clinic, Drive Thru Flu Clinic, Crestline Village Employees, Fairway/Waycraft staff and individuals, and Homebound Flu, we gave 582 flu vaccines.

CMH (Children with Medical Handicaps)

The Children with Medical Handicaps Program (CMH) is a health care program in the Ohio Department of Health (ODH). CMH links families of children with special health care needs to a network of quality providers and helps families obtain payment for the services their children need. CMH receives funding for services from the federal Maternal and Child Health Block Grant, state general revenue funds, county tax funds, third-party reimbursements and donations. CMH promotes early identification of children with handicapping conditions and treatment of those children by appropriate health care providers.

- We currently have 112 children we assist with this program.

Communicable Disease Investigation

- The law requires specific diseases to be reported to local health departments in an effort to control the incidence and spread of communicable disease.
- The Nursing Department investigated 102 communicable diseases the 4th quarter of the year. 44 Hepatitis C, 6 Hepatitis B, 42 Chlamydia and 10 miscellaneous diseases.
- Nurses go to Maryhaven (drug and alcohol treatment center) every 6 weeks for communicable disease education and testing. This quarter we tested 15 clients for STD's and 13 clients for HIV.

Jail Nursing

- Nurses worked 386.75 hours at the Crawford County Justice Center.
- Statistics: 289 inmates booked in, 178 physicals completed, 314 sick inmates seen, and 35 inmates seen for drug and alcohol withdrawals.

School Nursing

- Nursing provides services for five of our county's school districts: Buckeye Central, Bucyrus, Colonel Crawford, Crestline, and Wynford. We also fill in for the nurse at Fairway/Waycraft as needed.
- The nurses at the schools have been seeing students for: accidents, illnesses, head lice checks, blood sugar checks and insulin administration, administration of medications, vision and hearing screenings, phone calls to parents and Doctors, reviewing records, blood pressures, mandated reporting in abuse cases, etc. for a total of over 4,100 contacts with students this past quarter.

Sexual Health Clinic

- As of April 2016 we became part of a grant with Union County Health Department to provide services for a Reproductive Health and Wellness Clinic twice a month. This clinic provides affordable reproductive healthcare for men and women ages 13 and up.

Miscellaneous

- Head checks
- Overseeing services of aides at Council on Aging
- Blood pressure checks
- TB skin tests
- Visual exams for foster child placement
- Child Passenger Safety Educational Classes

This is my 1st Quarter for FY17

- For FY17 our Grant that we were awarded is for \$299,552. The Grant is from 10/01/2016-09/30/2017. At the end of the 1st Quarter we have spent approximately 21% of the Grant.
- I have attended Crawford Community Council, Crawford Childhood Initiative, Family and Children First, Community Health Assessment, Dream Child Conference, Monthly Board meetings, we helped at the Boo to the flu, and the Holiday open house put on by Help Me Grow, I also attended the WIC State Directors meeting in Columbus.
- What is going on at WIC; we continue to educate participants on Nutrition and Breastfeeding, along with being a referral program to the many different agencies in the community. We continue to work with the Health Department to make sure our participants are up to date on all of the immunizations that they need and lead screenings. We work with Help Me Grow by referring many of our new pregnant moms to their program for the guidance they may need as a new parent, or a parent of many, or referrals to agencies that may help them in their journey as a parent. We have a Breastfeeding 101 class set up to give WIC, Help Me Grow and the Health Department some good sound easy advise on Breastfeeding, this will take place in April.
- Vendor Redemption Report** - We have 5 stores in Crawford County that are Vendors with the State WIC program (Krogers, Wal-Mart, Drug Mart, Geyer's & Save-A-Lot).
