City	Zip Code	Township	Parcel #

Size of existing/proposed building lot: Acres: _____ # of Bedrooms: _____

The following accompanying documents are required for consideration for site review:

1. Site and soil evaluation form completed as outlined in ODH STS Rules Chapter 3701-29-07
2. Scaled site drawing as outlined in ODH STS Rules Chapter 3701-29-10
3. Layout or design plan as outlined in ODH STS Rules Chapter 3701-29-10

Before the site review can be scheduled, the following must be done by the applicant:

1. All property lines must be clearly marked, and
2. Primary and secondary sewage areas must be clearly marked and protected from disturbance.

I, the undersigned, hereby certify that the above information, and that included in the accompanying documents is correct and truthful. I also understand that any deviation from the above may nullify approval of this site for a permit to install. I understand that this site review is not a permit to install. A separate permit will be required for installation, upon site approval.

Owner / Applicant Signature

Date

*For replacement of existing systems, site and soil evaluation may be waived by our department, if it is determined that there is no suitable area for an on-lot replacement system. Alterations of existing systems do not require the site and soil evaluation.
