Apr 2018

2018 1st Quarter Report (January through March)

ANNUAL DAC MEETING HELD

The Annual DAC (District Advisory Council) meeting was held on March 6th, 9:00am, here at the Crawford County Public Health (CCPH) Conference Room.

Members present included:

Chuck Grau, J.D. Hord, Craig Miller
(Bucyrus Twp.)
Rick Hanes (Chatfield Twp.)
Tim Hammam (Cranberry Twp.)
Milt Underwood (Dallas Twp.)
Regis Jones (Holmes Twp.)
Bob White (Jackson Twp.)
Matt Weber (Jefferson Twp.)

Doug Cramer, David Brause, Mark Schimpf
(Liberty Twp.)
David Weisenauer (Lykens Twp.)
Phil Feik (Sandusky Twp.)
Ken Aidt (Tod Twp.)
Ted Muntis (Vernon Twp.)
Clay Ehmann (Whetston Twp.)
Jenny Vermillion and Doug Weisenauer
(County Commissioners).

Also present at the meeting were: Dean Sipe (Board of Health member), Zach Wolfe (Board of Health member), Cindy Edwards (Crawford County Treasurer), Joan Wolfe (Crawford County Auditor), Kirk Williamson (Crawford County EMA Director), and Jette Cander (Crawford County EMA Assistant Director). Staff members from CCPH included Kate Siefert (Administrator), Adrea Kirgis (HMG Home Visitor), Steve Jozwiak (Director of Environmental Health), Blythe Buurma (Registered Sanitarian & Emergency Preparedness Coordinator), Kathy Bushey (Director of WIC), and Krista Whitmeyer (Director of Administrative Services).

The DAC members voted to keep Milt Underwood as Chairman and voted in Phil Feik to be secretary. The DAC also voted in Lori Pennington, Bucyrus City Schools, to the Crawford County Public Health Licensing Council to represent the Food Service Program. Crawford County Public Health Staff members reviewed the 2017 Annual Report and the Crawford County Public Health Strategic Plan (including the goals and objectives). Registered Sanitarian Blythe Buurma provided an informational presentation on bed bugs, how to prevent bringing them home, and how treat a home to get rid of bed bugs.

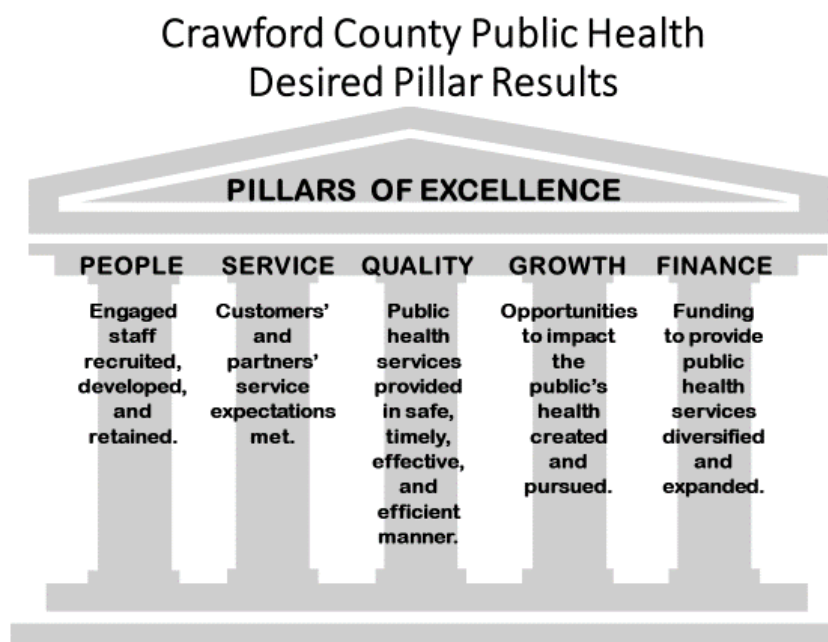

PHAB ACCREDITATION APPLICATION SUBMITTED

Crawford County Public Health submitted an application to PHAB (Public Health Accreditation Board) on March 13th! Health departments are invoiced by PHAB based on the size of the jurisdiction they serve. PHAB has created 5 categories for health departments --- health departments serving 100,000 or fewer people are considered Category 1 and are assessed an application fee of \$14,000. Upon receiving PHAB Accreditation, Category 1 health departments are then assessed an annual accreditation services fee of \$5,600.

The initial application fee covers: the cost of an assigned specialist to work with our Accreditation Coordinator (Jenny Klein), the airfare, lodging, meals, and training materials for Jenny's two-day mandatory training in Alexandria, VA, access to the e-PHAB system to upload the materials to be reviewed (over 500 documents), and 250 hours of review of our facility and documentation by the PHAB site visit team.

PERFORMANCE MANAGEMENT & QUALITY IMPROVEMENT

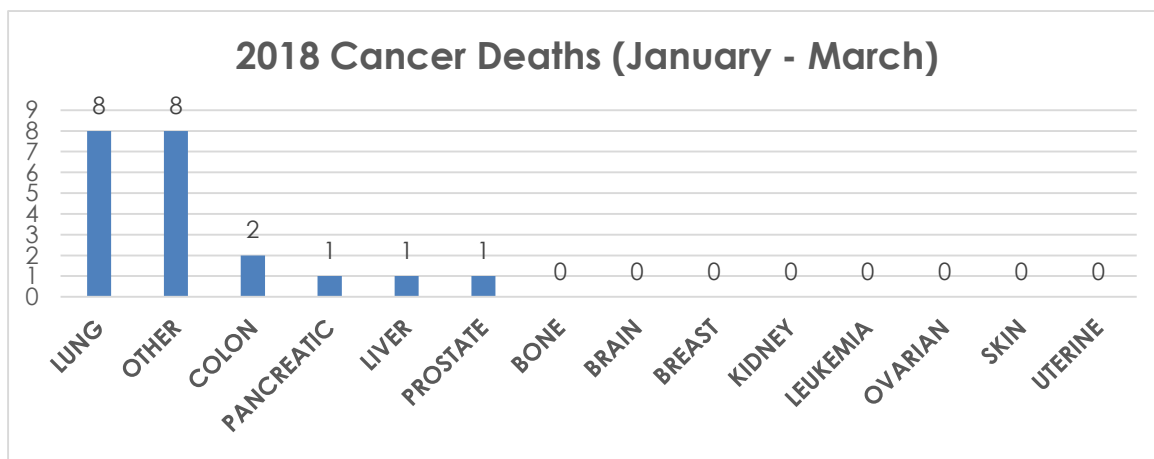

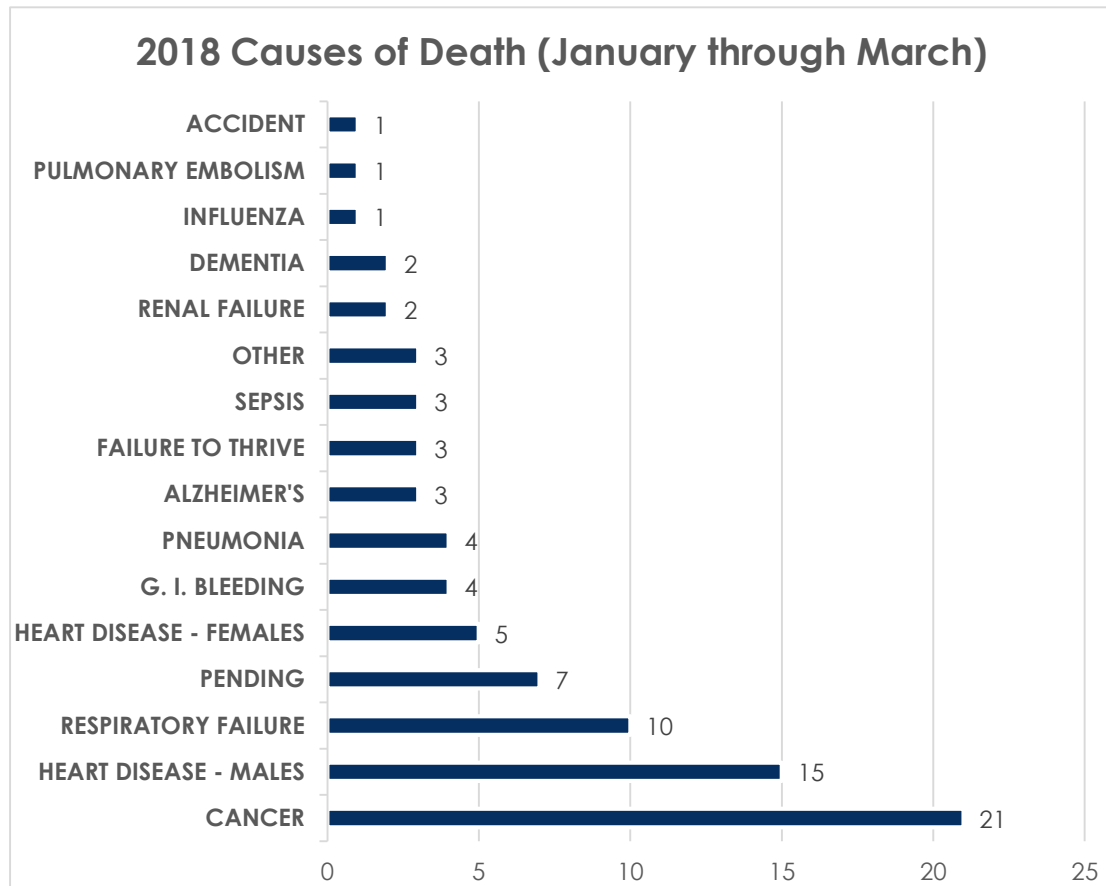

We have been awarded two technical assistance grants that provide assistance from The Ohio State University Center for Public Health Practice to help us create our Performance Management Plan and our Quality Improvement Plan. For both of these awards, we have been fortunate to have Anne Goon assigned to our office. Anne was formerly the Health Commissioner at Henry County and successfully helped the Henry County Health Department achieve PHAB Accreditation in March 2016. Anne has been working with us to develop a Pillars of Excellence framework for our Performance Management Plan. This framework is recommended by Studer Group, a 2010 Malcolm Baldrige National Quality Award recipient that coaches healthcare organizations on how to hardwire excellence into their institutions. It has been adopted and successfully implemented by several accredited health departments in Ohio. The Pillars define agency goals (or desired results) in the areas of People, Service, Quality, Growth, and Finance.

VITAL STATISTICS

From January 1 – March 31, 2018 our vital statistics Registrar has reported the following:

	Jan.	Feb.	March	YTD Total
Deaths within our Jurisdiction	32	23	31	85
Burial Permits Issued	32	21	14	67
Births within our Jurisdiction	0	0	1	1
Death Certificates requested	130	86	101	317
Birth Certificates requested	91	98	135	324

ENVIRONMENTAL HEALTH DIVISION REPORT:

We have been awarded the 2018 OEPA grant for repair and replacement of septic systems in the county. The amount of this award is \$200,000 (the maximum amount that could be applied for by a health jurisdiction). Cindy Brookes from WSOS has again graciously agreed to be our administrator for this grant.

The 2017 grant cycle continues with 10 properties in process and several more in the evaluation stage. According to Cindy Brookes, our grant administrator, we have already spent \$110,000 of the \$300,000 that was awarded to our department.

In final review of the violation statistics for licensed food operations within our jurisdiction, the EH Division determined the winners for the 2017 Food Safety Award. Eligibility for this award is only open to Class 3 and Class 4 food operations who meet the following criteria:

- (1) 0 Critical Violations during the 2017 inspection year.
- (2) 3 or fewer Standard Violations during the 2017 inspection year.

During our review it was determined that there were 27 winners of the food award, which is a two tier award system. Those facilities having 0 critical and 0 non-critical violations will receive a Superior Award. Those facilities having 0 critical and 3 or fewer non-critical violations will receive an Excellent Award. Following are the award winners by category.

Congratulations to all of our award winners!

The remainder of this first quarter, EH has mostly been busy conducting food operation inspections and collecting documentation and attending meetings for the required accreditation process that all local health departments must undertake.

HELP ME GROW (HMG) DIVISION

In our Help Me Grow Home Visiting Parenting Support Program, we re-activated our Healthy Families America (HFA) status from on-hold to active. HFA is an evidenced based program model. Although Ohio Department of Health (ODH) recognizes three models for use in the program, ODH indicated that HFA aligns more readily with the State Health Improvement Plan. Likewise, with the use of federal funding, ODH developed the new data system around the HFA model. In order to be competitive and save time collecting data, we have made the switch. In December and January, our Home Visitors completed two week long mandatory trainings. To meet the rigorous supervision needs of the program we promoted Home Visitors Andrea Kirgis and Dawn Stuckert to program supervisors. (Sadly for us, Dawn recently relocated to the Hocking Hills area).

Crawford County served 116 of the 11,997 families that were served in Home Visiting Programs across the state of Ohio last fiscal year. Although ODH went to a state-wide central intake system that is responsible for outreach, we continue to meet with prospective families in our WIC clinic. We also maintain a close relationship with our local birthing hospital. Even though state wide referral numbers decreased with the new Central Coordination site, we continued to increase our capacity.

In Early Intervention, the Department of Developmental Disabilities (DODD) is conducting a state wide Technical Assistance plan. Service Coordinator, Cindy Engel participated in a DODD video which will help train other service coordinators. She was chosen by DODD due to her high quality of work. Cindy has been with us since 1996, and she was our former HMG Director. Families from twenty years ago still remember her often recounting what a tremendous help she was. Even the children remember her and they were exited from the program on their third birthday. What a legacy!!

DODD reported that last fiscal year Crawford County Early Intervention received 105 referrals and served a total of 93 children.

As always, we continue to be aided by a caring community! This quarter, Wynford Senior Gabby Grove with the help of Saint Paul Church in North Robinson collected numerous baby items for HMG. Gloria Nelson from Chatfield Pietist church with her group of sewing friends, donated several baby

blankets, infant quilts, small children's clothing, sleepers, and car seat covers. It was a harsh winter and these ladies worked hard to keep our children warm. Our grant funds just go so far and when we can meet a physical need of a family it goes a long way to build relationships.

Our families enjoyed our Minion Mania Family Connection meeting at Galion Library. Thank you Mizick Miller & Company for use of your customs. With the exception of Santa, nothing brings in families more to an event than a cartoon character. We also appreciate CRAWFORD READS 20 for donating books for our HMG families at all of our Family Connection meetings.

Above is Home Visitor, Andrea Kirgis with Ms. June Baker. Ms. Baker is a member of the United Methodist Church, 216 Hopley Ave., Bucyrus.

For the past several years, Ms. Baker has consistently donated diapers, toothbrushes, toothpaste, board books and diaper wipes. She said she is, "following Gods command to clothe the little children".

We love Mrs. Baker!

NURSING DIVISION - 1ST QUARTER HIGHLIGHTS

Immunization Program

- A total of 261 clients were seen and 611 vaccines were given in the 1st three months of 2018.

Communicable Disease Investigation

- The law requires specific diseases to be reported to local health departments in an effort to control the incidence and spread of communicable disease.
- The Nursing Department investigated the following number of communicable disease cases during the 1st quarter of the year: 50 Hepatitis C, 12 Hepatitis B, 32 Chlamydia and 11 miscellaneous diseases.
- Nurses go to Maryhaven (drug and alcohol treatment center) every 6 weeks for communicable disease education and testing. This quarter we tested 12 clients for STD's, 6 clients for Hepatitis C, and 9 clients for HIV.

CMH (Children with Medical Handicaps)

The Children with Medical Handicaps Program (CMH) is a health care program in the Ohio Department of Health (ODH). CMH links families of children with special health care needs to a network of quality providers and helps families obtain payment for the services their children need. CMH receives funding for services from the federal Maternal and Child Health Block Grant, state general revenue funds, county tax funds, third-party reimbursements and donations.

- We currently have 97 children we assist with this program.

Jail Nursing

- Nurses worked 426.75 hours at the Crawford County Justice Center.
- January - March Statistics:
 - 319 inmates booked in
 - 196 physicals completed
 - 361 sick inmates seen
 - 47 inmates seen for drug and alcohol withdrawals.

School Nursing

- Our public health nurses provide services for six schools in our county: Buckeye Central, Bucyrus, Colonel Crawford, Crestline, Crestline St. Joe's, and Wynford. We also fill in, as needed, for the nurse at Fairway/Waycraft.
- The nurses have been very busy seeing students for illnesses, injuries, screenings, or health conditions.

Miscellaneous

- Head checks
- Overseeing services of aides at Council on Aging
- Blood pressure checks
- TB skin tests
- Visual exams for foster child placement
- Lead poisoning screenings and follow up
- Child Passenger Safety Educational Classes

This is my 2st Quarter for FY18

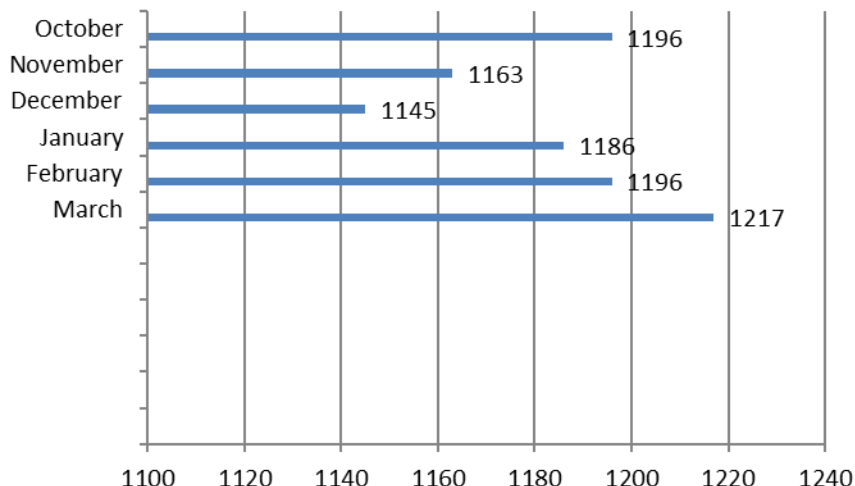

- At the end of this Quarter we have spent approximately 44% of the Grant.
- We have attended Crawford Community Council, Crawford Childhood Initiative, Family and Children First, Prenatal Outcomes, Dream Child Conference, Monthly Board meetings, Directors Meetings, SMILE group meetings (Supporting Mother Infant Lactation Education), staff meetings, PHAB Domain meetings, all-staff Accreditation meetings, the annual DAC meeting, Head Start Family Connections meetings, and GRADS meetings at Pioneer. Holly, our breastfeeding peer helper, attended the "Let's get Visual" business marketing meeting. Jill, our newest clerk, attended a 2-day WIC Counseling meeting in Columbus.
- What is going on at WIC; we continue to educate participants on Nutrition and Breastfeeding, along with being a referral program to the many different agencies in the community. We continue to work with the Health Department to make sure our participants are up to date on all of the immunizations that they need and lead screenings. We work with Help Me Grow by referring many of our new pregnant moms to their program for the guidance they may need as a new parent, or a parent of many, or referrals to agencies that may help them in their journey as a parent.
- We will be applying for our FY 19 solicitation (due May 21st) and our Notice of Award will be \$315,950.00 with a caseload of 1,177.
- **Vendor Redemption Report** - We have 5 stores in Crawford County that are Vendors with the State WIC program (Krogers, Wal-Mart, Drug Mart, Geyer's & Save-A-Lot).

2018-2020 STRATEGIC PLAN

After several months of facilitated teamwork, the Crawford County Board of Health approved the 2018-2020 Strategic Plan. This strategic plan was based on results from the Community Health Assessment (CHA), the Community Health Improvement Plan (CHIP), staff and Board member surveys, as well as input from our community partners. Below is a summary of the 31-page plan.

STRATEGIC PLAN

2018-2020

VALUES:
Compassion
Consistency
Respect
Courteous
Knowledgeable
Efficiency
Accountable
Trustworthy
Honesty
Integrity

A GUIDE TO OUR FUTURE

Crawford County Public Health has undergone dramatic changes during the past few years with efforts to increase transparency, improve efficiency, and to continuously explore ways to meet the public health needs of our community.

The strategic plan outlines our priorities, examines our strengths, clarifies our opportunities for growth, and creates a path to our future through defined goals and objectives.

Mission Statement

To educate, empower, and improve the quality of life for the Crawford County Community.

Vision Statement

Crawford County Public Health is the community leader in health, wellness, outreach, and prevention.

Strategic Priorities 2018 -2020

To achieve our Vision, we have identified four strategic priorities, with key objectives, to focus on over the next three years.

1

Financial Security - increase the number of grants & expand revenue sources

2

Alignment with the Community Health Improvement Plan (CHIP) - increase collaborative efforts to support the CHIP

3

Staffing - increase staff satisfaction and implement a performance review & compensation plan

4

Expand Services - increase community awareness of services and increase our service area

Our strategic plan demonstrates our continued commitment to Crawford County; we are excited about the future and working together to achieve our goals.
