# EMERGENCY PREPAREDNESS

We regularly participate in exercises with community partners and are constantly updating and revising our emergency response plans. Through grant funding, we are able to provide Stop the Bleed (tourniquet) trainings and we are always looking for Medical Reserve Corps (MRC) volunteers.

In 2024 we participated in both a regional table-top exercise (a mock Chlorine tanker accident downtown Bucyrus) and a full-scale exercise (a mock chemical exposure at a local manufacturing facility).

The Crawford County Healthcare Coalition met twice in 2024 and consists of representatives from the hospital, long-term care facilities, hospice, dialysis, Board of Developmental Disabilities, Emergency Management Agency, mental health and transportation providers. This group participates in drills and exercises to ensure their facilities are prepared for an emergency response.

The Crawford County Medical Reserve Corps (CCMRC) volunteers will be very busy helping us host GuardCare 2025. If you would like to become an MRC Volunteer, contact Brynn Bishop at (419)562-5871 ext. 1257
